**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

Customer of TCWS.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

We already pay some of the highest water/sewer rates in the southeast US, and should not be burdened with additional increases because TCWS does not know how to manage their business. Any company with equipment / systems must spend ongoing monies for maintenance and plan for necessary improvements and replacements. Make TCWS accountable to the citizens they service -- NO INCREASES.

TCWS should not be awarded this increase as the level service provided -- from water and sewer to customer service is substandard.

**3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? \***
